

Postgraduate Programs of Northwest A&F University

Crop Science	Crop Cultivation and Tillage* Crop Genetics and Breeding* Plant Resources Science* Seed Engineering*
Plant Protection	Plant Pathology* Eco-engineering of Controlling Harmful Living Beings* Agricultural Entomology and Pest Control* Pesticides*
Horticulture	Fruit Science* Vegetable Science* Protected Horticultural Engineering* Tea Science*
Animal Husbandry	Animal Genetics, Breeding and Reproduction* Animal Nutrition and Feed Science* Pratacultural Science* Aquatic Biology*
Veterinary Medicine	Basic Veterinary Medicine* Preventative Veterinary Medicine* Clinical Veterinary Medicine*
Forestry	Tree Genetics and Breeding* Silviculture* Forest Protection* Forest Management* Soil and Water Conservation and Desertification Control*
Environmental Science and Engineering	Environmental Science* Environmental Engineering
Water Conservancy Engineering	Hydrology and Water Resources* Hydraulics and Hydropower Engineering* Structural Engineering Hydrology and River Dynamics Hydraulic Structure and Engineering
Mechanical Engineering	Mechanical Theory and Design Machinery Manufacturing & Automation
Computer Science and Technology	Computer Software and Theory Computer Application Technology
Food Science and Engineering	Food Science* Foodstuff, Oil and Vegetable Protein Engineering* Agricultural Products Processing and Storage*

	Aquatic Products Processing and Storage*
Biology	Botany* Microbiology* Biochemistry and Molecular Biology* Bio-informatics* Chemical Biology* Biophysics*
Agricultural Engineering	Agricultural Soil and Water Engineering* Agricultural Mechanization Engineering* Agricultural Bio-environment and Energy Engineering* Electrification and Automation of Agriculture* Bio-material Science and Engineering*
Ecology	Agricultural Ecology Forest Ecology Physiological Ecology Watershed Ecology
Utilization of Agricultural Resources	Soil Science* Plant Nutrition*
Chemical Engineering and Technology	Applied Chemistry
Economics and Management of Agriculture and Forestry	Economics and Management of Agriculture* Economics and Management of Forestry* Agriculture and Rural Development* Agricultural Technological Economics and Program Management* Human Resources Management in Rural Areas* Finance in Rural Areas* International Trade of Agricultural Products and Its Policies* Regional Economics Accounting
Sociology	Rural Sociology

Notes: Programs with "*" indicate the programs both for master and Ph.D. students

Programs without "*" indicates master programs.

The 69 undergraduate programs are open to international students, please contact CIE for detailed information.
